WHAT YOUR SUBSCRIPTION MEANS

When you subscribe to a Liberty Loan you subscribe to the sentiment that the world must be made safe for democracy and subscribe to the fund that is to make the world safe for democracy.

You subscribe to the belief that innocent women and children on unarmed ships shall not be sent to the bottom of the sea; that women and children and old men shall not be ravished and tortured and murdered under the plea of military necessity; that nurses shall not be shot for deeds of mercy, nor hospital ships be sunk without warning, or hospitals and unfortified cities be bombed or cannonaded with long range guns.

You subscribe to the doctrine that small nations have the same rights as great and powerful ones; that might is not right, and that Germany shall not force upon the world the domination of her military masters.

You subscribe, when you subscribe to a Liberty Loan, to the belief that America entered this war for a just and noble cause; that our soldiers in France and our sailors on the sea are fighting for right and justice.

And you subscribe to the American sentiment that they must and shall be powerful, efficient and victorious.

Prosperity comes only to him who MAKES it for himself. It is easy to gain if you will only do what your common sense tells you to do—work, save and DEPOSIT your money and let it stay in the bank.

Do not dabble in GET-RICK-QUICK speculation; this is the sure road to RUIN. Play SAFE; this is the sure road to success.

Card of Thanks.

To the voters of Benton County—I wish to thank those who gave me their support for County Judge in the August election. While I was defeated, I will ever appreciate those who supported me.

Furthermore, I wish to thank the good people of the county for the kindness shown me during my canvass, assuring them that I will ever remember them.

At the time I entered the race for County Judge I promised the voters and my opponents that I would make an honest race; that I had rather go down in defeat than to act dishonest in the least. So I say now that I kept my word.

And while I went up Salt River, I did not see anything of Brother Kee or Brother Lashlee. I suppose they were on deck.

Wholesale Robbery.

Thieves have been operating in Camden again. The stores of A. V. Bowles & Co., W. E. McCullough, Claud Thompson and the repair shop of John Smith were entered by three men, it is said, Sunday morning.

A hole large enough to admit a hand was cut in the rear door at each place, and entrance gained in that way. They took dry goods, a watch and money at Bowles' store, groceries at McCullough's and a few watches, etc., from Smith. At Thompson's store in South Camden they were frightened away without securing anything.

We are told that a clue is being followed which may lead to some startling developments.

Dealers can procure flour per mits at The Chronicle office.
